

The Chelmsford Art Society, (CAS) is a nonprofit organization, and is proud to provide local artists with a forum to share and grow. Part of its ultimate goal is to bring recognition and participation of the Arts to the surrounding community.

During the recent years, CAS has provided the opportunity to display artwork in local business establishments to members. Local art shows and competitions are announced in the CAS newsletter, providing yet another opportunity for members to show their work to the public.

**Demonstrations:** At the monthly meetings, which run the last Tuesday of each month, guest artists demonstrate and provide insight to their craft. There are also other special activities throughout the year.

The major events of the year are:

- **Exhibits** by individual members at Town Offices and Summer Place Retirement Residence.
- **4th of July Art Festival** which welcomes artists and admirers from all over and brings an influx of talent and original mediums to the Chelmsford and surrounding areas.
- **Exhibit of Artwork** in December which gives the Society an opportunity to view each other's work in a relaxed setting as we ring in the holiday season,
- **Field Trips**, Boston Museum of Fine Art
- **Plein Air Painting** on the Common at the Farmer's Market

CAS promotes the arts through education, networking, scholarships, and moral support from the members. It is a means for making good friends with common interests that will last for years to come, friends who share and understand the issues of being an artist in today's hectic and sometimes rigid world.

Thank you to everyone who has supported the Society in the past, and welcome to those of you considering it for the future.
