

Summer 2018

A Word from the President

Greetings Art Lovers!

Wow!!! What a Summer!

This has been a very exciting season for the Art Society... we just finished celebrating our 50th (!!) 4th of July Art Festival in the town of Chelmsford! Not only did we have another successful and beautiful exhibit of original art by Adult and Student contributors to the Festival, we were also able to put on a Retrospective collection of past CAS memorabilia and award-winning Art in the Gallery of the CCA. I hope you were able to join in on the fun at some of the refreshment-filled receptions we enjoyed in the Gallery, Auditorium, Cafe, and Library!

I'd personally like to thank all our dedicated Board members, fantastic volunteers, Susan Gates from the Chelmsford Center for the Arts, the Library staff; and the Chelmsford Cultural Council and the Massachusetts Cultural Council for their generous financial assistance towards our 50th 4th of July Arts Festival Retrospective. Without everyone's input and help, reaching this amazing milestone would not have been possible!

With the closing of this season's festivities, I will also be stepping down from my duties as President. While I'm not exactly leaving Dodge, and I hope to still be an active part of the CAS family; I've realized that I need to dedicate a bit more of my time to my own family and my framing business. That being said, please consider stepping up and volunteering to help keep the CAS running! We need people to serve on the Board, help with demo setups and Hospitality, organize upcoming events and exhibits, etc... Even an hour or two would be greatly appreciated!

.....And, we need to make it to our 50th Anniversary of the Founding of the Chelmsford Art Society in March of 2020! Another Amazing Milestone!!

I look forward to seeing everyone soon at some of the wonderful demos Helen Moriarty has planned for us! Please consider lending a hand!

Thanks, and as always... Keep Creating!

We Love Our Volunteers!

The Chelmsford Art Society is fortunate to be able to rely on its many energetic and enthusiastic volunteers!

This issue of our newsletter is dedicated to our **volunteers**, who enabled several large events to exist this Spring and Summer. It would be impossible to list everyone as there are so many, and it would be easy to omit acknowledging someone.

A Huge Thank You to ALL Our Volunteers!

50th Chelmsford 4th of July Art Festival

This annual occurrence is a good example of how *"it takes a village"*... the Chelmsford 4th of July Art Festival would not continue year after year without the efforts of many volunteers, donors, artists and all the art lovers who come to enjoy the exhibit.

50th Retrospective of the Chelmsford 4th of July Art Festival

Roberta Witts spearheaded this tremendous effort to create an exhibit of photos, scrapbooks, news article reprints and artwork from past exhibits. It was a popular event that was enjoyed by many people as it elicited many happy memories of our 4th of July Art Festival.

This event was held in the Gallery at the Chelmsford Center for the Arts, 1A North Rd, Chelmsford, MA, from June 15 to Aug. 26, 2018. It opened with a well-attended party on June 15, was open on weekends (because of our volunteer gallery-sitters!), enjoyed another party on "First Friday" Aug. 3, and the Closing Reception will be held on Aug. 26. If you haven't seen this exhibit... *you must get yourself there!*

Looking Forward...

And, as much as we enjoyed our "Look Back", we have continued to plan for the future by scheduling new programs, activities and exhibits to engage the community and support the arts.

Our wonderful Past-President and always enthusiastic volunteer, **Helen Moriarty**, prepares the program schedule each year. See page 11 for the 2018-2019 Schedule of Programs.

4th of July Art Festival Continued at the Chelmsford Library

About 60 paintings were displayed at the Chelmsford Library from July 5 to July 21. This is another event that depends on volunteers - it requires a lot of effort to take in, label and hang 60 paintings in two hours!

A fun Closing Party was held on the final day of the exhibit, complete with refreshments and live music.

The Summer Place

The group exhibit currently on display at The Summer Place in Chelmsford (20 Summer St.) includes artwork by CAS Board members and other CAS members. The Summer Place is always free to visit and open to the public daily.

May 31st Meeting

Many members attended the combination pizza/ work/ create party held on May 31st. Members assisted Roberta with her projects for the 50th Retrospective, which included framing tasks, and organizing folders, scrapbooks and photos. Some members created mini paintings to be sold at the July 4th Exhibit. The artist who created the most paintings was **Nan Quintin**, who received \$25.00.

The Founders' Award

This award is presented annually to one or more members in recognition of their contributions to the well-being of the Society. It was presented to **Roberta Witts** in recognition of her ongoing outstanding contributions.

Congratulations Roberta, and Thank You!

CAS Annual Scholarship

A scholarship is awarded annually to a high school student who is planning to go on to college and further their studies in art. This year, the scholarship went to **Shailagh McCormack**, who will study Architectural Design at Wentworth.

Byron Carr – Watercolor

Wed. Sept. 26, 2018 at 7 PM

Byron Carr was born in Contoocook, New Hampshire. The area has always been an inspiration for his paintings. As a young boy, he spent many hours drawing pictures. After graduating from High School, he attended Vesper George School of Art in Boston, MA where he studied commercial art. Despite his academic success he returned to New Hampshire and entered the building trade.

Byron married and started a family. For his two year old daughter, he wrote a children's book, "Doodles" with illustrations that was published in 1988. By 1992, he once again became interested in art and enjoyed painting in oil as well as watercolor. He started to submit his paintings in art shows and began winning awards. During the 1990s, four of his paintings depicting waterfalls were purchased by the state of New Hampshire and hang in the Rockingham Court House in Exeter, New Hampshire.

The artist also instructs watercolor workshops titled "Paint until the Magic Happens". He conducts lessons at his Hopkinton, NH Studio and en plein air.

Helen Moriarty - Scratchboard

Tues. Oct. 30, 2018 at 7 PM

Local artist, Helen Moriarty was born in Lowell, MA and now lives in Chelmsford. She taught in the Lowell School System for many years. She is a graduate with a BA from Tufts Univ. and a Masters Degree from Boston Univ. Since she always had an interest in art, she went back to school and earned a BA in Fine Arts from Northeastern Univ. After graduating, she began teaching Art in the Lowell Schools.

A lesson that she taught in Middle School Art was a type of scratchboard. First, color a piece of cardboard with colorful crayons, and then paint over it with black paint. Create a design on a piece of paper. Finally scratch the design into the cardboard using a paper clip. Helen was pleased with the results of her students, so she tried it herself with a more professional board and tools.

Helen has won several awards for her painstaking efforts with Scratchboard. Having been an art teacher, she was able to work with various media. She is always interested in trying something new, and she has taken many workshops and classes.

The artist is a long time member and former president of the Chelmsford Art Society and now the Program Chairman. She is also a member of the Brush Art Gallery and Studios in Lowell, MA.

In addition, Helen is the producer of the Chelmsford TV show "Happenings with Helen Moriarty" which features artist's demonstrations (see page 8 for current listings.)

Letter to the Editor

My husband Arthur isn't particularly fond of art, but he does enjoy the nuts and bolts of the art world - attaching wires, eye hooks, etc. to the back of artwork. When I asked him to help during our July show, he met many artists as he followed my instructions to, go and hang this one in photography, or go hang this one in watermedia (what's that? he'd ask), or go and hang this one in oil/acrylic. In one of his missions, he met **Mike MacLean** who won first place for his painting of 'Light on Gibbet Hill'. I think what interested Arthur was the frame—Mike said he was a carpenter by trade, and when driving to and from work, he told Arthur, he saw some beautiful landscapes. And, Mike thought to himself, "I can paint that." And he did, winning first place in our show!
