"Chocolate Ensemble" by Crist Filer

September Demonstration

The Chelmsford Art Society is featuring Crist Filer who will present a demonstration at the next monthly meeting. Working mainly in watercolor and pencil, his sharp edged graphic artwork, using both wet-in-wet and dry brush techniques, provides an exhilarating experience of design and color. He will donate one of his watercolors to raffle at the meeting.

Over the past several years Filer has demonstrated for most of the art associations in eastern Massachusetts and has been very well received. The artist has been juried into 168 national and regional art shows and won 88 awards for his work including five Grumbacher Gold Medals. His art, both abstract and representational, is in numerous private collections as well as that of Boston University.

Filer is past President of the *N.E. Watercolor Society* where he is a Signature Member. For his demonstrations, he puts a

different slant on the information he provides the audience based on his scientific background. Dr. Filer, who has a Ph.D. in Organic Chemistry from M.I.T., has authored journal articles in his field. His specialty topic is isotopic chemistry, and he is the immediate past President of the *International Isotope Society* and has been reelected to serve as IIS president in 2008.

Every one is welcome to attend her demonstration! For information call 978-251-3971 or 978-957-5058.

A Word from the President

Sharpen your pencil, prime your canvas, and heat up the kiln for the coming year. This fall, we are inviting our members to participate in *Harrington's Liquor Wine Tasting – Silent Art Auction* event for the second year (see insert for all the details). In December, we will have our annual *Member Library Show* with a new twist this year. In May, the *Art on the Common* is planned for May 17 rain or shine (in the Old Town Hall if it rains). There are lots of events to show and sell your artwork!

Our 39th 4th of July Art Festival was a success again this year, with the added bonus that we sold artwork for five of the participants. Yes, the CAS sold nine artworks from this show. Congratulations to those fortunate artists, who are: *Ara Agopian, Alexa Lambros, Brenda MacDonald, Joyce MacIntyre, and Trina Teele.*

The overall increased quality of artwork presented in the 4th of July Art Festival certainly contributed to this success. Thanks to all the participants, volunteers, and all those who contributed to make this event a success again this year.

In 2008, the CAS 4th of July Art Festival will celebrate its 40th Anniversary. In preparation for this celebration, we will make the December *Member Library Show* a juried exhibit (open to our CAS members only). Sixteen artworks will be awarded a prize. These sixteen artworks will then appear on a 16-month CAS calendar. We will sell this calendar at the *Fourth of July Art Festival* and through the 2008 fall.
